Welcome to Ascension Wine Estate, proudly 100% family-owned and 100% NZ-owned.

Much of what you will enjoy today is grown in Ascension's own extensive kitchen gardens. Most of our herbs & garnishes are picked from the potager garden surrounding the fountain in the courtyard, while our main gardens behind the kitchen provide a range of fresh heirloom vegetables year round.

These are supplemented with ingredients sourced from artisan suppliers around Matakana and Warkworth, and from throughout New Zealand.

Enjoy!
