

# SUNSET DINING

right beside the **VINES!**

For a limited time we're offering you a dining experience that's definitely different...

**Ascension Wine Estate** is Auckland's ONLY vineyard restaurant offering the unique experience of dining al fresco **in the vineyard itself at sunset.**

Each **Saturday night** from December 2009 to March 2010 (and some extra evenings in January) you have the opportunity to be served award-winning cuisine and wine **at your own table right beside the grapevines!** Add the hues of a summer sunset and you have the ultimate in sensory delight.

Whether it's a couple or a group dining, there is **NO** extra cost for this additional service. However, reservations are limited to six guests per table.

Sunset dining is only available (weather permitting\*) to pre-booked guests arriving between 6:00 pm and 7:00 pm to ensure the sun sets nearer your dessert than your entrée!
